Mayor's Letter

It was nice to see so many of you at the Pumpkin Festival this year. Eton's Office of Special Events and Cultural Affairs did a great job organizing the event and everybody enjoyed the vendor booths and the delicious food offerings. The live entertainment was some of the best we've had at Eton events. Thank you to all who participated and volunteered their time to make the Pumpkin Festival successful.

Fall is now upon us and we will begin using our heaters very soon. Please remember to do a thorough safety inspection of all your heating units before utilizing them. Check the space around your heaters for fire hazards and make sure your fireplaces and chimneys are serviced.

Trick or Treating in Eton is on Friday, October 31st. It's a big night in Eton! Let's all please be mindful of the children in our streets that evening. Have a safe and happy Halloween!

The Eton Well renovation project is complete! The old well was last renovated in the 1980's when a rock wall and a new roof were added. Citizens and visitors are really complimenting us on the appearance of the well. It is certainly something that Eton citizens can be proud of.

Eton's property tax millage rate remains at 4 mills. Thank you to the Department Heads and Employees for very controlled budgets. We will continue to strive to keep this low property tax rate for our citizens while maintaining city services.

I hope everyone participates in the Eton Festive for Fall contest. It's fun and creative and makes Eton look nice for the fall season. I truly appreciate the time and effort that each of you take to make Eton the perfect place to live.

Kind Regards,
Billy Cantrell

Eton News

The Mayor and Council set the property tax millage rate at 4 mills. Eton property taxes have not been increased since 2004.

The Mayor and Council will begin working on the 2015 Operating Budget at the November 4, 2014 Council Meeting.

Thank you all who participated in the Ridgecrest Survey regarding Halloween night traffic. The majority of those participating do not want to close the streets to driving traffic on Halloween night.
